

A step back in time

SPIRITUAL RETREAT FOR SECONDARY SCHOOL STUDENTS

St. Enda's Park, Rathfarnham

"In nature, you are truly free"

PADRAIG PEARSE

Lighting the way for
young hearts and minds.

**We shine bright when
we shine together.**

Step into sacred ground

Join us for a day of peace, history, and personal connection in the stunning grounds of St. Enda's Park, a sanctuary of natural beauty and historical richness. Where Padraig Pearse lived and operated his pioneering irish-speaking school from 1910 to 1916.

Let the spirit of the past empower your present. Discover how deeply your roots connect to the land, history, and each other.

What the day includes:

- A guided tour of the Pearse Museum, home and school, once home to Padraig Pearse's progressive school, where nature and freedom were at the heart of learning
- A walk among the follies, charming structures scattered throughout the park that ignite the imagination and evoke Ireland's layered past
- Time for meditation and reflection in serene surroundings
- Space to breathe, connect, and have fun
- Activities to promote mindfulness, spiritual and social awareness
